Colorado Community College System campus
October 7, 2011, 8:30 AM - 1:00 PM

CATEP is all about Employability (i.e. "Soft") Skills!!

Accountability
Honesty Manners
Understanding
Learning

Written Communication Skills
Verbal Communication Skills
Teamwork and Collaboration
Self-Management Skills
Self-Motivation Skills
Contextual knowledge of workplace
Critical Thinking Skills
and
Problem-Solving Skills

Leadership
Respect Humor
Common sense
Diversity

Initially focused on the IT industry, our long-term goal is to expand the infusion of Employability Skills into as many technical courses as feasible.

Come learn how Employability Skills can be applied in your school or environment. Hear keynote speakers from industry and education talk about Employability Skills and how they impact our students and their success.
